

Hammer Toe Correction

Speaker: Jonathan Blum, DPM, FACFAS

Tuesday, October 15, 2019

7:00 pm ET / 6:00 pm CT / 4:00 pm PT

Target Audience:

The intended audience of the ASPS webinar series includes Podiatrists, Podiatric Residents, Podiatric Students, and health professionals with an interest in advancing their knowledge of foot and ankle surgery.

Learning Objectives:

- The biomechanics of toe deformities: hammer toes, claw toes, mallet toes
- The history of the procedures with pros and cons
- The current theories and concepts
- New procedures and techniques with case review (including Two-Step and HTR)

Learning Techniques:

- Didactic Lectures
- Case Studies/Case-Based Presentations
- Questions/Answers/Discussion

Commercial Support:

ASPS has designated an unrestricted educational grant from Trilliant Surgical to support this webinar.

Podiatric Physicians Accreditation Statement:

The American Society of Podiatric Surgeons (ASPS) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The American Society of Podiatric Surgeons (ASPS) has approved this activity for a maximum of one (1 hour) continuing education contact hours (CECH).

In accordance with the requirements of the Council on Podiatric Medical Education, ASPS is required to monitor educational session attendance for verification of CECH (continuing education contact hours).

No partial CECH will be given for this program. Participants must complete a minimum of 60-minutes (1 hour) to receive 1.0 CECH. Additional CECH for lecture time or question/answer time that exceeds more than 60-minutes (1 hour) will not be awarded.

Time on the webinar will be tracked via registration email through a digital call log provided by the host webinar technology platform.

Continuing Education and Credentialing:

ASPS is proud to be a CPME accredited provider approved by the Council on Podiatric Medical Education. As is the case with all specialty societies and colleges, ASPS is not a credentialing organization and does not conduct licensing or certification processes. The principal purpose of ASPS is to facilitate education and research activities in the area of podiatric surgery. These activities are viewed to reinforce and support licensing and certification processes.

Disclosure of Conflict of Interest:

ASPS adheres to accreditation requirements regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations. - All ASPS employees and activity planners in control of content have indicated that they have no relevant financial relationships to disclose.

A full listing of faculty disclosures is provided online at www.aspsmembers.org/webinar-series and also via slide presentation during at the beginning of each program.

Disclaimer:

ASPS verifies that sound education principles have been demonstrated in the development of this educational offering as evidenced by the review of its objectives, teaching plan, faculty, and activity evaluation process. ASPS does not endorse or support the actual opinions or material content as presented by the speaker(s) and/or sponsoring organization.

Certificate Instructions:

Certificates will be automatically generated for participants completing this course and will be sent to the email used to register within 10 working days of the program. Replacement certificates, requests by phone, or requests to send to emails in addition to the address used for registration will incur a \$25 handling fee.

Each registrant is responsible for reporting attendance to all appropriate boards and agencies requiring continuing education. CECH hours may be registered with state boards by providing a copy of your CECH certificate.

Cancellation Policy:

This is a complimentary educational series, there is no penalty for cancellation.
